## Company Overview

Blue Ridge Technologies, Inc. is a dynamic provider of Information Technology services and consulting with a focus on the Salesforce ecosystem and cybersecurity. Since our establishment in 2017, we have been delivering high-quality solutions to federal and state governments, private enterprises, and nonprofit organizations. Our dedicated team of certified professionals combines years of industry expertise with a deep understanding of government operations. We specialize in providing customized Salesforce consulting, implementation, data migration, and cloud solutions that drive cost savings and streamline processes. Our focus on fostering collaborative partnerships ensures that we meet the complex needs of our clients with timely and effective results.
